Clark County Sheriff's Office
Kari Schulz, Logistics-Evidence Manager
(360) 397-2038 Office Phone

As a representative of Clark County Sheriff's Office and user of the project space, Kari will be able to talk about her experience working with DLC Architecture during the feasibility study project, as well as for the recently completed expansion and remodeling project. She can speak to the detailed project approach, the pro-active and open communication philosophy and designs provided by DLC and Consultant Team, that met their user requirements on these projects.
