

Oak Lodge Fire District Station

Project Summary:

Architect/Role: David Commeree, Project Manager (while with Architects BBL)
Client: Oak Lodge Fire District (now Clackamas Fire District 1)
Address: 2930 SE Oak Grove Blvd, Milwaukie, OR 97267
Project Type: Fire Station- Offices, Living Areas, Storage and Apparatus Bays
Construction Cost: Not Disclosed
Project Area: Approx. 19,000 square feet with 4 drive through apparatus bays

Exterior View at apparatus bays

Aerial View of Building

Major design consideration involved providing separate administration and fire crew living quarters on each side of apparatus bays. Design features focused on providing exterior residential type elements with smaller massing forms to blend into existing neighborhood, with commercial materials, such as metal roofing and masonry cladding and thermally broken aluminum windows.
